WHY SPONSOR BSFFFF?

1

A CAPTIVE BIG-SCREEN AUDIENCE

Your 20-second trailer plays before the program at our theater nights — no skipping, no scrolling. Cinema pre-roll delivers attention rates digital ads can't touch.

2

GLOBAL REACH, LOCAL ROOTS

211 films from 34 countries stream to 2,000+ visitors during festival week, while three theater nights light up Brooklyn and Queens — and The Invadr newsletter reaches 5,000 fans worldwide.

3

A PASSIONATE NICHE COMMUNITY

Sci-fi fans are loyal, vocal, and culturally influential — including a dedicated Star Trek fan-film crowd. Aligning with the genre buys goodwill generic media placements never earn.

4

REAL EXCLUSIVITY

We cap trailer sponsorships at three per season. Your brand shares the screen with films, not with a wall of other ads.
